

Sign Permit Waiver

This document serves as an amendment to job number _____ between Century Sign Systems Ltd. and _____ [Your Firm's Name]. Both parties hereby agree to the following modifications:

Scope of Modification

The parties agree to modify job number listed above to include an accommodation wherein your firm requests Century Signs Systems Ltd. to commence the manufacturing process and installation of displays without obtaining the necessary permits from public authorities.

Payment Obligations

In the event that the permits are not approved by public authorities before the display installation, your firm agrees to promptly pay Century Signs Systems Ltd., upon receipt of invoice, for all labor and materials expended up to the date of notification.

If permits are not approved after the displays are installed, your firm agrees to pay Century Signs Systems Ltd., upon delivery of said displays, the amount set forth as the Selling Price.

Additional Fees and Charges

Your firm agrees to pay any additional fees beyond the selling price, including but not limited to charges for sign removal, modification of existing signs to comply with permit requirements, replacement signs to meet permit standards, and any fines and penalties assessed by public authorities.

Monies Owed

Failure to obtain the necessary sign permit shall not release your firm from the obligation to pay Century Signs Systems Ltd. for the full value of any purchase covering said signage.

Other Terms and Conditions

Except as provided in this Amendment, all other terms and conditions of job number listed above shall remain in full force and effect.

I, _____ [Your Name], representing _____ [Your Firm's Name], on _____ [Date of Signing], hereby acknowledge and agree to the terms and conditions outlined in this Amendment.
